

Well here we are – almost at the end of another skating season. With the weather getting warmer each day, summer is on its way.

CanSkate this season has been very busy, but very rewarding. Coaches have enjoyed working with each little skater and seeing the progress each time they are on the ice. It has been fantastic having each session full and that is a huge thank you to each and every one of you!!

If during the season you didn't pick up your report card and your skater attended at least one of the last two sessions we do have them at the rink and you can pick them up any time, although the Valleyview Arena will be closed as of April 30 so you would have to wait till the Fall to pick up the report card.

A huge thank you goes out to all of our Program Assistants - we can't run the program without their help!! So thank you to: Alana, Alyssa, Anastasia, Brenna, Brooklyn, Chelsea, Cheyenne, Chris, Dan, Ireland, Janet, Jennine, Kate, Leila, MacKenzie, Madison, Marilyn, Rhonda, Savannah, and Scott. We coaches are so very thankful to all of your help!!

CanPowerskating has been another busy program we offer!! It is a program that works with hockey skating skills from the basic foundation skills to the more advanced skills.

Junior Academy is growing at a fast pace and we love it!!! It is so neat to see the skaters come out to the program that is the beginning of the Figure Skating part of skating and fall in love with it as they learn the new skills. Junior Academy is the bridge program between the CanSkate program and the private lesson program (Intermediates/Seniors/Masters). With this program it is 45 minutes with a coach the entire time.

The Intermediates, Seniors and Masters are improving their skills through their hard work each session. Just as they accomplish one skill there is always another one to follow that will be a little more difficult and require a little more focus and hard work!! Keeps our skaters on their toes and striving forward!!

The Master skaters attended the Canadian National Adult and Synchro Competition on Easter weekend – April 3-5. Results were:
Marilyn Triggs – 2nd Intro Freeskate Class 4 Freeskate; 2nd Pre-Intro Interpretive Class 4
Cheyenne Irvine – 2nd Gold Freeskate Class 3; 3rd Gold Interpretive Class 3/4
Janet Dabner – 2nd Masters Freeskate Class 3/4; 5th Gold Interpretive Class 3/4

Well done Ladies – you have represented Valleyview very well!! Congratulations.

We have some skaters competing on the May Long Weekend down in Surrey and they are:

Anastasia Chupik, Hannah Steed, Brooklyn Castro, and Chelsea Thur

Good luck to all of you as you represent Valleyview!!

Important Dates

Our Annual General Meeting will be held April 21st at the Valleyview Arena upstairs in the meeting room. Please try to attend – a lot of information is passed along at the meetings and it is always great to be informed!!

We will also be holding a test day at the end of April. Date and times to be determined.

Our year end wind up will be held May 24 at Hoodoos.

We will provide further details shortly

Summer Skating School will be held right here in Kamloops at the Brock Arena from July 20th to August 13th. The brochure will be on our Website – please check it out. Summer Skating gets you ready for the fall and keeps you in “skating” shape!!

And we will be advertising towards the end of summer for the 2015-2016 registration dates. Hope to see you all back!!

Have a fantastic summer!!!
