

CANSKATE Program Assistants

Our CanSkate program cannot be run without the help of our dedicated Program Assistants. Thank you in advance for your commitment to our club.

Star 3+ skaters age 10 and up are required to complete one (1) CanSkate Program Assistant ("PA") day per week (a total of 10 CanSkate PA days for each of the Fall and Winter sessions and a total of 5 CanSkate days in the spring). The skater will receive a credit ("PA Credit") for any additional PA days completed after the initial 10 per Fall and Winter session and after initial 5 for spring.

The CanSkate Coordinator may approve other STARSkate skaters to become a PA. These PAs will be compensated using the same guidelines as all other PAs (outlined above).

If a skater is unable to fulfill their PA requirements, that skater must apply to the board in writing to be exempt. That skater must apply each session prior to the start of that CanSkate session (Fall, Winter, Spring). The skater will also be charged a fee to cover the cost of having another PA fulfill their commitment (\$50 for Fall, \$50 for Winter, \$25 for Spring).

All PA's must be registered with Skate Canada before stepping onto the ice.

PA's must attend scheduled training sessions ("PA Training") to qualify and receive PA Credits during the season. **The PA Training does not count towards any of the required PA sessions nor are any PA Credits issued during the PA Training.**

Additional PA Credits are issued at the value of \$5.00 per session. This is a non-monetary reward system and the PA Credit cannot be exchanged for cash at any time.

PA Credits may be applied to any registration fees

PA Credits must be used within one (1) year of issuance. After one year, the PA Credits will expire.

PA Credits for the Fall session will be issued in December, PA Credits for the Winter session will be issued in March, and PA credits for Spring will be issued in May.

PA credits can be accessed on Uplifter when checking out.

PA Credits are non-transferable outside of immediate family members in the same household.

PA training this year will be: September 17 and 19 (time to be determined).
