APRIL @ THE RINK

After a wonderful 2-week March break, our spring season is upon us. Hopefully everyone is refreshed and feeling energized and ready to hit the ice.

The month starts with our Star, Competitive and Master skating programs on April 3th and CanSkate program on April 4th. Spring session is a busy one, with a condensed 5-week program instead of 10-weeks. All skaters will be utilizing the ice a minimum of 2 days a week, allowing for their skills to really be honed in. Spring session will see many of our StarSkaters' working on new solos and artistic programs. This year we have the pleasure of once again, having guest coach Graeme Gordon join us in our Star sessions and help with choreographing some of the new Star 5 Artistic programs. **Please Note:** Star, Competitive and Master skating programs can still add-on 2 additional weeks at Broc Arena in May. We look forward to seeing everyone on the ice ☺

FUNDRAISING

Spring has Sprung and it is time to start thinking about putting in our gardens and flowerbeds. Thankfully, Kim has once again put together our Spring plant fundraiser with **Growing Smiles** that is sure to help us get our yards looking beautiful and support the club.
